Furbearer Kits

A hands-on kit for teachers to borrow for use in the classroom to help students learn more about Vermont's 14 furbearing animals, such as mink, beaver, fisher, and fox. Each kit includes skulls, a track guide, scat sets, videos, and a book of activities that can be used in the classroom. A very special inclusion to this kit is a set of actual furs of Vermont animals to examine and touch. Kits may be reserved by calling the Waterbury office or the Fish & Wildlife District office closest to you.

If you're interested in reserving a kit, please call 802-241-3700.

Revised—November 2015
