WHAT'S GOING ON WITH HEMP IN THE NEK

A workshop that will discuss the challenges and success of growing hemp this season, and include an update on federal and state hemp regulations & policies.

Join the Caledonia & Orleans County Natural Resources Conservation Districts, UVM Extension's Heather Darby, and representatives from the Vermont Agency of Agriculture, Food, and Markets for a workshop covering what worked and what didn't work – focusing on soil and water quality – during the 2019 hemp growing season.

Workshop details:

12:30 – 12:50 – Welcome, presenter introductions

12:50 – 1:50 – Farmer Panel & Interactive Session – *What worked and didn't work during the 2019 season?*

2:00 – 2:45 – Dr. Heather Darby, UVM Extension – *2019 season overview, fertility, Q & A*

2:45 – 3:30 – Vermont Agency of Agriculture, Food, and Markets – *2019 season overview, updates on rulemaking, registration, program requirements and expectations, and inspections for 2020, Q & A*
